**A "DEMOCRATIC CARNIVAL"**  
Is Projected to Be Held at Dallas October 2 and 3.  
Dallas, Texas, August 29.—The democracy of Texas is going to have a grand National carnival at Dallas during the State fair. The carnival will last two days, October 2 and 3, and will conclude with a "dollar dinner." William J. Bryan has positively announced that he will attend the carnival and go from Dallas into the Iowa and Kentucky campaigns. The State fair association has agreed to divide the gate receipts with the managers of the carnival and the latter have agreed to present the funds realized to the National ways and means committee to be used in next year's presidential campaign. They expect to clear for the party treasury a large sum.  
Resident Mr. Bryan, it is the intention to try to get O. H. P. Belmont and Richard Croker of New York, John B. McLean of Ohio, Shelby of Pennsylvania, Carter Harrison of Illinois, Senator Tillman of South Carolina, John W. Daniel of Virginia, Mr. Goebel of Kentucky and many other prominent democratic leaders to attend. Sam Cook, general manager of the National ways and means committee, Vice Chairman Stone of the National committee, Mr. Wetmore of St. Louis, the Jefferson club of Kansas City and the Old Hickory club of Little Rock are already booked to attend. The railroads have made low fares and the carnival will be an event worthy of the Texas democracy, its promoters declare.  
**CANDIDATES NUMEROUS.**  
They Are Getting After the Offices Good and Early.  
Waco, Texas, August 29.—Although nearly a year must elapse before the next primary elections will be held, candidates are budding out and the indications are that there will be the largest crop next year that has ever been harvested. Two or three candidates are already practically out for each office and others are suspected. There will be a senator to elect from this district, Senator Yantis' term expiring next year. The district is composed of McLennan, Falls and Milam and it is believed each will have a candidate. It is presumed Senator Yantis will be a candidate for re-election.  
Judge Marshall Sarratt of the Nineteenth district is suspected of harboring a desire to serve the people of the Third supreme judicial district as judge of the civil court of appeals, and he has a host of friends who are ready to assist him when he says the word. His candidacy can be safely considered a certainty. Hon. J. N. Gallagher, county judge of this county, and Judge W. C. H. Cooper, county clerk, are both said to be making arrangements to run for county attorney. The office of representative in the senatorial fight before candidates appear.
